

Butler Spinners and Weavers

Karen Parson 724-444-4784

Description: Butler Spinners and Weavers can share a demonstration on spinning wheels and weaving looms. Kids may have the opportunity to try themselves.

Rates: Free

Recommended by: Jen @ Mars: The kids were mesmerized by this, we had a story time and paper weaving craft and then the ladies demonstrated and allowed the kids to try out the different steps to weaving and spinning. The public was also welcome to ask questions and watch the work in progress.
