Description: Whether you are piling students onto a big, yellow bus or looking for an exciting program for your classroom, Carnegie Museum of Natural History has great resources for teachers. Utilize the museum's collection, expertise, and more with our exciting programming and unique tools for educators.

Click on the "educators" tab then "Resources for Teachers" then scroll down to "Traveling Programs" to see the range of options including Science Adventure Class, Video Conferencing, and Dinosaur Encounters. You can book directly from their website or use the contact information above.

Rates: \$150-900 depending on the program

Recommended by: Becky @ New Castle is getting Spinosaurus Encounter! for the first time in 2018 but saw the dinosaur at a New Castle community event and was elated
