One Drowsy Dragon by Ethan Long

Activity

Sorting baby dragons to match the color of a mother dragon

Dragon Fingerplays

I'M A LITTLE DRAGON

I'm a little dragon, strong and stout.
Here is my tail and here is my snout.
When I am sleeping, hear me snore!
If I want my breakfast, then I roar!

FIVE GREEN DRAGONS

Five green dragons making such a roar.
One plugged his ears up, now there are four.
Four green dragons climbing up a tree,
One fell down and now there are three.
Three green dragons looking at the view.
One walked away and then there were two.
Two green dragons lying in the sun.
One got too hot and then there was one.
One green dragon sitting all alone,
Wonders if maybe you would take him home!

FLY DRAGON FLY (Tune: Skip to My Lou)

Fly, fly, dragon, fly. Fly, fly, dragon, fly.
Fly, fly, dragon, fly. Way up in the sky!

Hop, hop, Dragon, hop. Hop, hop, dragon, hop!
Hop, hop, dragon, hop. Stop now, dragon, stop!

Turn, turn, dragon, turn. Turn, turn, dragon, turn.
Turn, turn, dragon, turn. Sit now, dragon, sit!
