

# Mad Science of Pittsburgh

<https://pittsburgh.madscience.org/>

412-779-0123 • [kelly@madsciencepgh.com](mailto:kelly@madsciencepgh.com)

**Description:** Mad Science aims to spark the imagination and curiosity of children by providing fun, entertaining and educational activities that instill a clear understanding of what science really is and how it affects the world around us. Mad Science programs encourage informal learning through hands-on experiences. For more information about how our workshops can supplement and enhance your Camp Experience or Library's offerings.

They appear to come up with programs based on the CSLP theme:
