Five Little Leaves

Five little leaves on the tree next door
One fell off and then there were four
Four little leaves all over the tree
One fell off and then there were three
Three little leaves where the wind blew
One fell off and then there were two
Two little leaves sitting in the sun
One fell off and then there was one
One little leaf in the tree all alone
The wind blew and blew now there are none!

The Leaves are Falling Down
Tune: The Farmer in the Dell"

The leaves are falling down
The leaves are falling down
Red, yellow, orange and brown
The leaves are falling down

Pumpkin, Pumpkin

Pumpkin, pumpkin on the ground (touch the ground)
How'd you get so big and round? (make a big circle)
Once you were a seed so small (pinch fingers together)
Now you are a great big ball (make a big circle overhead)
Pumpkin, pumpkin on the ground (touch the ground)
How'd you get so big and round? (make a big circle)

Five Little Ghosts

Five little ghosts flying out the door
one flew away and that left four.

Four little ghosts playing happily
one flew away and that left 3.

Three little ghosts yelling boo boo boo
one flew away and that left 2.

Two little ghosts having spooky fun
one flew away and that left 1.

One little ghost sleeping in the sun
flew back home and that left none.

Or...

Five Little Pumpkins

Five little pumpkins sitting on a gate.
The first one said, "Oh, my it's getting late"
The second one said, "There are witches in the air."
The third one said, "But we don't care."
The fourth one said, "Let's run, and run and run!"
The fifth one said, "Isn't Halloween fun?"

Then Woooooo went the wind
And OUT went the lights.
And five little pumpkins rolled out of sight.
