Description: Zoomobile programs offer participants the opportunity to meet Zoo animals without leaving their school or location. Groups of all kinds, including school groups, adult and senior groups, youth groups, and summer camps, as well as community event organizers, are welcome to schedule a Zoomobile outreach program.

Various programs available. See link at top of page.

Jen @ Mars has had the Zoomobile come with Wonders of Wildlife - approx. 60 kids - Grades K - 5. Two Zoo animal specialists bring three or four animals and teach the kids about the characteristics of each animal.

Rates: \$150-275 depending on program and distance. Discount for second program.
