**Description:** TWO OF A KIND delights audiences of all ages with their music, good humor and audience participation. David and Jenny Heitler-Klevans of TWO OF A KIND love bringing people together and building community through music. Their beautiful harmonies accompanied by David's powerful, rhythmic guitar playing and Jenny's multi-ethnic percussion instruments create magic on stage.

An award-winning husband-wife duo, TWO OF A KIND presents concerts for families and children of all ages, including songs, puppets, movement, and stories – all with an emphasis on interaction and participation. Themes of songs and stories range from reading & books, friendship and animals to social issues such as the environment, conflict resolution and diversity. TWO OF A KIND helps audiences of all ages feel that they can create music and that they can make a difference in the world.

We have a large repertoire of songs and are happy to work with you to develop a program to meet your needs. We frequently design programs to connect with the Summer Reading themes of various libraries, library systems, or states.

**Rates:** \$300-400 plus travel

**Recommended by:** Becky @ New Castle (A bit pricey for my taste, so I'd suggest trying to tag team with other libraries to better afford them.)
